The TMK subsidiary TMK-Kaztrubprom has become one of the first companies in its line of business to become a potential supplier in accordance with the Sovereign Wealth Fund Samruk-Kazyna Procurement management standard after successful completion of the prequalification procedure.

As per the effective rules, prequalification is mandatory for all companies participating in tenders held by Kazakhstani companies under Samruk-Kazyna Fund management, including NAC Kazatomprom, NC KazMunayGas, NC KTZ, and Samruk-Energy.
