PRESS RELEASE

TMK delivers complete drill column set to Surgutneftegaz

TMK, one of the world's leading producers of tubular products for the oil and gas industry, has supplied a complete set of high-tech tubular products and equipment for a drill column. Surgutneftegaz is going to use the products to drill a well about 5,000 m deep.

"By fostering customer relationship we aim to expand our offer from just top-quality tailor-made tubular products to a comprehensive value proposition for oil and gas companies," said Alexander Shiryayev, TMK CEO. "This approach is set to meet our customers' best expectations and assist our partners in tackling their biggest challenges."
