**PRESS RELEASE**

## **Announcement Regarding Financial Statements**

PAO TMK has decided to confine itself to compliance with the mandatory regulatory requirements established by the Bank of Russia Regulation “On Disclosure of Information by Issuers of Equity Securities” and with its contractual obligations when preparing and disclosing financial statements.

The Company asks investors to take into account that interim consolidated results for the first three months (January – March) and nine months (January – September) of 2022 in accordance with International Financial Reporting Standards (IFRS) will not be prepared and, accordingly, will not be published.

**TMK ([www.tmk-group.com](http://www.tmk-group.com))**

**TMK** ([www.tmk-group.com](http://www.tmk-group.com)) is a global supplier of steel pipe, pipe solutions and related services for the oil and gas industry. Threaded pipes for the oil and gas sector account for the largest share of TMK’s sales. The company also supplies special pipes and piping systems for the nuclear power industry, pipe products for the chemical industry, mechanical engineering, construction and other industries. TMK combines pipe supplies with a wide range of services for selection of tubular products, including development of innovative solutions, as well as maintenance, warehousing and pipe repairing. The company masters its R&D expertise and develops new innovative pipe products at two R&D centers in “Skolkovo” and Chelyabinsk. TMK’s shares are listed on the Moscow Exchange.
